„[ARRLAND.APP](#)”

I hereby declare that I accept the Terms and Conditions of the *arrland.app* Website and Whitepaper and confirm that I have read these documents and that they are fully understandable to me. I am aware that ANFATA GAMES does not guarantee any profits in connection with the acquisition of the ArrLandNFT Tokens, and the distribution process of these Tokens is executed via automated smart contracts on the Ethereum blockchain network. I am also aware that any content and information contained on the *arrland.app* Website and in the documents mentioned hereinabove are not and shall not be perceived as “an investment advice” or “an investment recommendation” or an intermediary in such activity. Moreover, I acknowledge and fully accept that the activities of ANFATA GAMES do not in any way refer to investment, banking, insurance or reinsurance activities.

I am aware that there is a high risk associated with the operation of financial markets or markets related to virtual currencies (cryptocurrencies), in particular in terms of rapid price volatility in these markets, which may result in the loss of all means invested by me. In view of the above, I represent that the purchase of the ArrLandNFT Tokens is solely my free will, which is preceded by an independently performed analysis of the project operating under the name “*The Pirates of the Arrland*”.

I understand that the blockchain technology is a new technology and I accept all market and technological risks related to the purchase and use of the ArrLandNFT Tokens and services related to these Tokens, such as e.g., play-to-earn. I also represents that I am not a citizen of countries where law restricts or prohibits participation in processes collectively and commonly referred to as Initial Coin Offering or classifies the Distribution Process of the Tokens only as issuing of financial instruments or derivative financial instruments within the meaning of relevant national acts.

I acknowledge and accept that the right to withdraw from the contract in connection with the purchase of the ArrLandNFT Tokens has been excluded, therefore all transactions of the purchase of the Tokens are final and there is no possibility of a refund.

I declare that I provide my personal data voluntarily and consent to their processing in accordance with the information specified in the Privacy Policy of the *arrland.app* Website.
